

Division C Director Report Toastmaster Year: July 2022 – June 2023

Division C Leadership:

Division Director: Richard Carr

Area C1 Director: Shelly L Belflower

Area C2 Director: Madeline Armendariz Odeh

Area C3 Director: Peggy Carr

This year has been a steady one for Division C. The year started with a base of 11 active clubs and is coming to completion with those same clubs active. Two clubs have not completed their membership renewal; but that is expected within the month, Area Director reports for the required number of clubs visited for both periods were written and submitted on time for both the Fall and Spring reporting cycles.

Membership in Division C Clubs

Division C is holding its membership steady following the initial losses due to the pandemic and economic downturn. Many clubs are at reduced membership while a couple of others are seeing some additional growth. There were 96 members paid in October with 89 members currently paid in April. All 11 clubs had at least the minimum of four officers trained during the first period of the year while 6 clubs have met that goal for the second period. Club growth for new members has been steady, with some replacing members who did not renew.

Educational Progress

Clubs in Division C continue to embrace and enroll members in the Pathways Program and are achieving the educational goals of the DCP. Twelve of the DCP educational awards have currently been reached within the Division and more are expected by the end of the current Toastmasters year on June 30th.

Eight clubs within the Division have achieved at least one Pathway level with a total of 38 level completions spread over 7 paths. The following six members have competed one path: Heidi Klopfenstein (Box Elder Tm), Shelly Belflower (Mt Ogden Tm), Renee Gushen (I Express Tm), Madeline Armendariz Odeh (More Toasting More Doing Tm), Stephanie Stoll (More Toasting More Doing Tm), Richard Carr (Box Elder Tm)
